

Location: Steamatic Braeside  
[-38.004151, 145.110679]  
Technology: Southern Hemisphere's  
largest freeze-dry facility  
Invitation: Join us for Official Launch

Steamatic is proud to launch its newest technology  
on August 12 and you're warmly invited.

You are invited to attend the official launch of Steamatic's latest technology,

**High Volume Vacuum Freeze Drying,**

on Thursday 12th August, 2010, 5pm - 7pm for a short presentation  
and official launch by Mr. Detlev Lueth, Chair, Blue Shield Australia, followed by a live, interactive demonstration of 'Rosie',  
our High Volume Vacuum Freeze Dryer and other information and artifact recovery services at our Braeside facility.

Refreshments will be served.

Come join us and see first-hand some of the new resources that are now available from Steamatic. These new technologies  
are unique in Australia and will offer unprecedented support for recovery and restoration whenever disaster strikes.

RSVP Karen Bottomley by Friday 30 July, on (03) 9587 6333 or email [kbottomley@steamatic.com.au](mailto:kbottomley@steamatic.com.au)

Steamatic, 23 Jarrah Drive Braeside 3195
